

Watercolor Workshop Essaouira

Essaouira offers a excellent setting for painting : 2022-2023

It's the beach time.... its purpurair islands, harbor and its multiple blue boats. its souks, craftsmen and its surrounding countryside will be among the many subjects for your paintings.

the main goal is to make you happy by discovering the daily life of the locals and the charm of the narrow Alleys. as well as making from your own sketching a unique souvenir notebook. On the itinerary for these 8 days: walks, theoretical notions, presentations, practice, quick watercolors sketches on the pattern. Targeted outings and day or half day excursions to paint and seek out atmospheres of colors, where blue will be in the spotlight, no doubt!

At the end of the week, sum up of your travel book (with or without my advice) by adding the various materials, newspapers, papers, plants, herbs, etc. that you will have gathered over the days
